### Class News

#### In Year 1...

We have hit the ground running this New Year and have already started to plan an adaptation of the Enormous Turnip, which we will be writing next week.

In Maths we have been looking at 10s and 1s in numbers to 20. We have looked in depth at teen numbers and how these differ to multiples of 10.

In RE we are learning the story of Joseph and the dreams that he had. We have created our own rainbow-coloured coats using mixed media, *Mrs Lucarelli and Mrs Bamber*

#### In Year 2 ...

Welcome back, and a very Happy New Year to you and your family.

This half term we are looking at the story of Aladdin in our English writing. We have completed our work on 3d shape this week and will be moving on to money next week. We will then be looking at multiplication and your child will be bringing home their first multiplication table to learn next week.

Our RE unit this half term is Jesus, friend to all and we will be exploring friendship and stories about Jesus' life in the coming weeks.

We have been exploring our outdoor spaces and are focusing on seasonal change in our science. We have been looking at signs of Winter this week and will be recording data about the weather next week.

This term we will be exploring Textiles, joining fabrics in different ways and then, later in the term, we will be making puppets. We will invite parents to join us for our class Showcase later in term – details to follow at a later date.

Enjoy your weekend,  
*Mrs Ramsay & Mrs Bamber*
