Curriculum Award - Molly

For: Your determination and resilience in maths this week.

Star Writer - Louie

For: A beautifully written poem about nature for our poetry competition!

Class News

Hello, I hope everyone is well and raring to go, as we start the final term of Class 4 learning! We have started the Summer term off with lots of hard work, the children have come back with a fantastic attitude to their learning. In maths, we have been looking at fractions and decimals as hundredths and tenths. In English, we have been looking at newspapers, thinking about the story of Daniel and his friends and using the question hand to think about how characters were feeling. In RE we have been looking at different artists' impressions of The Fiery Furnace and thinking about what happened in the story. In science, we have started our new unit of light, thinking about sources of light as well as what makes light reflect. In History, we have started our learning about the ancient Maya, looking at their ways of life. Class 4 have enjoyed practicing their multiplication skills on TTRS as part of a class battle, please ensure that they are practicing daily at home, whenever possible. In PSHE we have been thinking about healthy lifestyle choices and debated whether fast food adverts should be banned from TV and streaming services.

Have a lovely weekend,

Mrs Griffin ☺

Important Notices

-Sun Safety As we enjoy this glorious sunshine, please make sure your child has a named hat school, as well as their own sun cream. Please note that we cannot apply sun cream for your child and that there cannot be any sharing of sun cream due to risk of allergy. Thank you for your support with this.

-Attendance Reminder: Please make sure your child is in school every day. We understand that there may be the odd day that your child is ill and cannot come to school. Holidays **MUST** be taken during the school holidays. Every day is a step in their learning journey and each step that is missed affects their overall progress.
