### Class News

#### In Year 1...

This week we have had lots of fun making a cake and writing the recipe for this. The children had to use their bossy verbs to help them with their writing such as weigh, cream, beat, spread, stir, crack, mix and bake. We have been writing these instructions over the week to try and improve our stamina.

In Maths we have been looking at number bonds and using the symbols + and =. Why not ask us to tell you our number bonds to 10?

In RE we have started the Christmas story and had to place the events in order. We are going to start learning our Nativity which will really help us with our RE work this term.

Have a lovely weekend

*Mrs Lucarelli and Mrs Bamber*

#### In Year 2 ...

This week in class we have been sharing the story 'The Three Ninja Pigs' and explored settings and the characters. Our writing next week will build on this and we will be planning and writing what happens next after the Wolf escapes from Rapunzel's tower.

In our Maths we have been focusing on subtraction from ten and across a ten and will be subtracting from larger numbers following on from this.

In RE we have explored the link between the Bible and the Jewish Torah and will start our Christmas topic next week.

Next week, we will begin learning songs for this year's Nativity and the children will begin learning their lines for their parts. Your child will bring home any lines they need to learn in the coming weeks.

Have a restful weekend,

*Mrs Ramsay*
