Class News

We have had a lovely few weeks in Class 4, I can't believe how it has flown by! The children have been working hard, as always! In maths, we have been looking at multiplication tables and division - ask your child to sing their 6,9 and 7x tables. In English, we have been continuing our work on the classic tale; The Secret Garden. Class 4 have also been creating "mystery books" to sell at a book sale next Monday, to raise money to support Hamza. In Science, we have been continuing our investigations into sound and how sound can be muffled to make it louder or quieter. In history, we have been focussing on comparing the life of a Viking to both our lives in 2024, as well as life in Ancient Greece. Preparations are well under way for our Christmas performance and I know the children are very excited! They are sounding beautiful; we can't wait for you to hear them. Please make a note of the dates above, this time of the year is incredibly busy!
