Curriculum Award - Rosalie

For: An amazing approach to your learning this week, you are a superstar!

Star Writer - Wiktorija

For: Brilliant writing this week, particularly when up levelling a piece of writing.

Class News

Hello, it has been a busy couple of weeks in Class 4! We enjoyed reminiscing about Year 5/6's trip to Borwick and presenting our memories in a special worship at the start of this week. We have been celebrating British Science Week as a school and celebrated our learning in a lovely worship on Thursday this week. We learnt all about bioluminescent creatures and how they use their glow for a number of different purposes. It was fantastic to see the learning from Reception to Year 6!

In Maths, we have been continuing our work on short division, moving on to looking at fractions this week. In English, we started our new novel; "The Butterfly Lion" by Michael Morpurgo. We have been using our comprehension skills to predict what will happen next and make inferences using the text. In Geography we have been continuing our topic on South America and finding out about the physical features of this beautiful continent. In RE, we have been thinking about Holy Week and Easter. Ask your child about what they know about Palm Sunday.

In PE, the class have been developing their skills in dribbling as part of their "creative games" unit with Miss Wilson.

Attendance Notice

Please make sure your child is in school every day. We understand that there may be the odd day that your child is ill and cannot come to school. Holidays MUST be taken during the school holidays. Every day is a step in their learning journey and each step that is missed affects their overall progress.

Important Notices

Coats - As the sun is starting to make an appearance, please ensure your child is still bringing their coat to school. It is still extremely cold at break and lunchtimes!

Hair - please ensure that all hair (boys and girls) that is shoulder length, or longer, is tied up before your child comes to school, thank you.
