## Notices

### Collecting children at the end of the school day

Please can we remind parents to collect their children from the school yard. Children should not be walking out of the school gate unaccompanied looking for their adult.

A reminder too that only reception parents are to collect from the EYFS playground.

"Conduct yourselves with all humility, gentleness, and patience. Accept each other with love."

## Class News

Welcome back to what has already been a busy start to the term. All the children have settled well into their new routines and are getting stuck into the Year 6 diet of learning. In English we are writing our own version of a chapter from 'The Nowhere Emporium' by Ross Mackenzie and have been revising lots of grammar techniques. Maths has seen us move up to using 7 digit numbers; we learnt that a million is one thousand lots of one thousand!

Class 5 are very fortunate this term as we have Logan from PNE teaching us Flag Football in PE which is a nice change. We are also pleased to welcome May from PNE Community Education Team who is teaching us all about the rich heritage of PNE in the community, starting with Arthur Warton. The final session will be a trip to tour the stadium!

If you did not make it to the Meet the Teacher session, the notes from this can be found on the school website which is a rich source of curriculum information and more. Homework will be sent out on a Friday and is due in on a Thursday to be marked together.

Have a lovely weekend.
