#### Reception

We have been learning how to sound talk and blend letters to read words. The children have all started reading books with words and are learning how to use the skills they learn in phonics to read the words.

In Maths we have been copying, continuing and creating repeating patterns. We have used threading beads, paint and our bodies to make patterns.

In RE we have been learning about the festival of Harvest where we give thanks to God for what we have been given. We have made some harvest wreaths and have written prayers saying 'thank you'.

**Come to school** – it's really cool!  
**Be on time** – it helps you shine!

#### Year 1

We have been looking at our letter formation. We are trying really hard to write on the lines and remember our finger spaces. We are finding the formation of some of our letters a little tricky but we will keep practising.

In Maths we have been looking at greater than and less than and have started to introduce the  $>$ ,  $<$  and  $=$  symbols.

In RE we have been making Sukkah shelters as we have explored how Jewish people celebrate at harvest time.

#### Diamond 9

Our Diamond 9 word this week in class has been 'Flourish'.

#### Reminders

Open Door is every Tuesday. You are welcome to pop into class to see what we have been learning once all the children have left.

Please sign up to Seesaw if you've not already done so. Thanks.

#### Harvest Appeal

This year our Harvest Appeal is supporting the work of the Diocese of Multan in Pakistan. The Diocese is working to improve the resources and provision in their primary schools and further develop their women's literacy programme. In school, we will be spending time considering the impact of education on our lives and how we can try to impact positively on the village schools & the Women's Literacy Programme in Multan.
