Thursday 9<sup>th</sup> April – Break up for Easter at 2pm

School re-opens for Summer Term Tuesday 22<sup>nd</sup> April @8:45am

## Attendance

Welcome back to the fourth half term of the year! As I am writing this, the sun is shining and it is all beginning to feel a lot like Spring! We understand that the winter has taken its toll in terms of coughs, colds and tummy bugs and attendance has been far lower than we wish it to be. Please send your child to school every day unless they are too ill to attend – if they don't feel well, we will always send them home.

## Class Overviews

Our Class 3 Overview for Spring 2 is now on the website under the Class 3 tab. Please give this a look as it details the work that we will do in class this half term. Please ask your children to tell you what they have been learning. Talking through what they have learned is a great way for them to consolidate their understanding!

**Class Superstar** – Bridget for applying herself to all her learning  
Theo for working collaboratively to perform a poem

**Writer of the Week**- Alice for doing a super story as part of National Storytelling Week  
Kareena for writing with increased stamina

**Christian Value** – Aaron for flourishing and inspiring others with his super homework  
Harry for showing forgiveness to others at all times

## In Class

This half term is always a busy one as we prepare for Easter, the most important event in the Christian calendar, and in our school calendar too. Our RE will look at the conflicting emotions of joy and sadness as we learn about all the different people who were with Jesus as He prepared for his death. We will show our learning through Art, Writing and Drama. Miss Wilson is teaching us about South America in our Geography. We will be focusing on Brazil and on the Amazon Rainforest and river. In our English unit, we have started the story, 101 Dalmatians. We will use this key text to explore characterisation, inverted commas, expanded noun phrases and writing our own version of the story. We have also started our large unit on Fractions in Maths. Yet again, we need our times tables to help us tackle this concept successfully, so please keep practising these at home as often as possible.

## Our Christian Value this half term is FORGIVENESS
