Harvest Heptathlon

The children have been invited to come to school today wearing green and white, the colours of the Pakistan flag. For our Harvest Appeal this year we are helping to harvest a love of learning for women in Pakistan who have low levels of literacy. Next week, the children will take part in a Harvest Heptathlon, 7 different activities linked in some way to Pakistan and our Harvest Appeal. If you haven't already donated to this worthy cause, please send a donation of £3 per child or £5 per family into school as soon as possible. Thank you.

Dates and Information for the rest of half term

W.b. Monday 14th October – Harvest Heptathlon

Wednesday 16th October – Non-Uniform Day for Oak (Green) team for winning team points last term.

Wednesday 16th October – Open Afternoon for new parents 4-6pm

Friday 18th October – Red Card for Racism Day
Half term begins at 3.15pm.

Tuesday 29th October – School re-opens @ 8:45am

Class Open Door

Tuesday 3:20pm – 3:40pm

This is a great opportunity for you to pop into school for a chat about any concerns you may have, ask any questions or just to have a look at the work Class 3 have been doing that week

Class Superstar – **Harry** for super effort and focus in all his lessons

Xander for always having interesting and relevant things to share with the class

Writer of the Week- **Sophie** for super presentation and thoughtful content

Summer for going the Extra Mile and including inverted commas into her writing this week

Christian Value – **Ebony** – for shining her bright light in school at all times

Leah – for flourishing in her new role as a junior!

In Class

The children have been writing their own chapter of Charlotte's Web this week. I have been impressed with their work, and their writing stamina has improved so much in such a short period of time! We have used conjunctions, adjectives and detail from the original text which takes a little juggling alongside handwriting, spelling, punctuation and vocabulary choices!! In our Maths, we have moved away from place value and are now focusing on addition and subtraction, including adding 1s, 10s, 100s and 1000s across boundaries. For this, the children need a really secure knowledge of number bonds to 10 and 20 – if you are able, please keep practising at home with this. We have continued our work on habitats in Science, looking at the animals which live in a woodland habitat, and also looking at all the unique features a camel possesses to allow it to survive in the desert. Miss Wilson has been discussing the positives and negatives of tourism in the Lake District and the children have begun to create their own tourist leaflets, enticing people to visit Lake Windermere! Today in our RE, we have looked again at the Jewish festival of Sukkot and have built our own sukkahs, looking closely at their features to include in our design.

Our Christian value this week is JUSTICE

Quick Class Reminders!

- Book bags need to be brought into school every day. **Children should be reading at least 5 x weekly and parents should sign the reading record.**
- Please check book bags for letters or forms which come home
- Homework is due in every Wednesday. **Spellings should be written out 3x each in the book please. I check on TTRS as to who is accessing the platform. Projects are all due in next week.**
- Earrings must be removed for PE – staff are not allowed to do this
- Please ensure all clothes are named – we already have a massive amount of lost property in school!
