COURAGE

“Let your light shine.” Matthew 5:16

What an incredibly busy and productive half term it has been. Thank you to those who joined us for our Autumn Praise Poetry Celebration, with our focus on the Awe and Wonder of God’s wonderful world. It was great to have so many families represented. We are very proud of the way the children performed their poems and a huge well done to our Reception children who bravely performed in front of their first Lea Endowed audience!

We continue to promote and encourage the whole school family to care for our environment both now and for future generations. Please share with us any ways you try to do this at home... we’d love to celebrate any photos of your children caring for the planet at home... we’re always on the lookout for new Eco Group members 😊

Thank you for supporting this year’s Harvest Appeal; the children looked great in their green and white, representing the Pakistan flag and have had great fun discovering more about the Pakistani culture through our Harvest Heptathlon activities. Together we raised a wonderful **£357.50**. This will be a significant help to the Women’s Literacy project in Multan and is a wonderful achievement for our small school family, **THANK YOU!**

We are also exploring Black History month, celebrating the role of significant black figures in the UK and the impact they have made in shaping history, inspiring change, and building communities. On Tuesday we joined with hundreds of schools across the UK with a Livelink to the Great Big Assembly to further embed the value and importance of our rich cultural heritage. Thank you for supporting our Wear Red Day, today. It is invaluable for our school family to stand up against

racial prejudice at every level.
