

LEA ENDOWED CE SCHOOL

Curriculum Rationale

- The curriculum at Lea Endowed is designed to provide a deep and wide education that meets the needs of all children and gives them the skills, knowledge and understanding to prepare them for their future lives. We want to help each child become a caring, confident and curious young person who has a passion for learning and achieving. Children are encouraged to follow God's example and to achieve their God given potential in all aspects of the curriculum.
- The curriculum ensures that academic success, creativity and problem solving, reliability, responsibility and resilience, as well as physical development, well-being and mental health are key elements that support the development of the child and promote a positive attitude to learning.
- The curriculum supports the children's spiritual, moral, social and cultural development through its distinctively Christian character and its celebration of individuality, skills, knowledge and the cultural wealth of the wider school family.
