**Curriculum Award – Esme**  
**Star Writer – Eva Mae**

## **Have you visited the school website?**

You will find a wealth of information there, including class targets and much more detail surrounding the curriculum for your child.

## Notices

### Reading

Please continue to encourage your child to read. This could be as simple as them reading to you while you are in the kitchen, or for 15 minutes before they go to sleep. We want to develop their reading stamina and enjoyment of books. If you can ask them a few questions about what has happened to characters, how they are feeling or what they think might happen next, that would be helpful too.

## Class News

It is hard to believe that we are fast approaching the end of the first term in Year 6! We have been so busy in all areas of learning that the time has flown by.

Oracy has been at the forefront of our lessons this week. On Wednesday we enjoyed an afternoon of good old-fashioned 'Show and Tell' – where the children proudly talked about their treasured football related possessions in front of the class. We are now excited for the final part of the 'Invincibles Project': a guided tour of PNE Stadium next Tuesday.

In English we have continued to explore the 'Nowhere Emporium' in the form of a debate as to whether we think Lucien Silver will be a good or evil character. Maths work has centred on securing written multiplication. At first the children weren't too keen but they soon realised how efficient this method is. Wish us luck with long division next week!

In other areas, the children have refined their sketching skills in Art, discussed how to assess risk in PSHE and thought like a palaeontologist in Science. Busy times!

**Mr Pratley**

## Class Open Door

Please feel free to visit me in Year 6 and ask any questions you may have.  
**Mr Pratley**

**Monday 3:20pm – 3:40pm**

Alternatively, you can email me using the contact details at the top of the page.
