

CLASS 5 SPRING TARGETS

Our Maths Targets

To solve problems involving the calculation of fractions and percentages in a wide range of contexts.

Extra Miler Challenge

To find pairs of numbers that satisfy an equation with two unknowns.

Our Reading Targets

To read between the lines, thinking about my own experiences, making inferences about characters and events.

Extra Miler Challenge

To explain the effect an author's language choices have on the reader.

Our Writing Targets

To blend action, dialogue and description within sentences and paragraphs to convey character and advance the action.

Extra Miler Challenge

To consciously control the use of different sentence structures for effect.

Our RE Targets

To use appropriate religious vocabulary to show understanding of why Passover is a festival of memory and freedom; to express their own and the opinion of others in response to the question 'Who was Jesus?'

Extra Miler Challenge

To explore and explain how many answers to the key questions can be seen in 'The Last Supper'.

'Let your light shine.' Matthew 5:16
