Diamond 9

Our Diamond 9 word this week
in class has been
'Collaborative'.

We have started looking at Fact Files in English this week. In Maths we are now working on numbers to 50 and have been practising counting in 10s.

Reception

We have enjoyed sharing all the activities we did over the half term holiday, and writing about something we enjoyed doing. This term we will be looking at seaside holidays and thinking about how they have changed over time. We painted some pictures of things we love to do at the beach. In Maths we have looked at the composition of numbers. We put 8 stickers on a ladybird and looked at all the different ways we could make 8, eg 4+4, 7+1, 5+3. We are looking at odd and even numbers and have been counting to see if we have an odd or even number of children in class. In RE we will be learning about the events of Easter. We shared the story 'Guess How Much I Love You' and thought about all the people we love. We wrote a prayer thanking God for all the special people in our life.

Year 1

We had a special delivery in Year 1 this week, Miss Watson's Auntie Susan has crocheted us some snuggle buddies to have in class, along with a range of fiddle toys.

Each day we are choosing 4 children who have demonstrated something to be proud of, to take a turn with the buddies.

Before our Half Term break we enjoyed activities linked to National Storytelling week, where we wrote a whole school story. Mr Pratley came to share a story with us in Class.

As a class we wrote 3 books; Our Favourite Stories, Our Inventions and Our How to be Happy Book.

Our termly overviews are now on the website for you to look at. They inform you of all the learning we will be doing until Easter. Reception children have a new homework activity sheet that links with our learning. Please see your yellow homework books. We hope you enjoy the activities!

Attendance Reminder

Our attendance figures across school weren't great last term. We know that children often pick up bugs at this time of year, but we encourage all children to be in school as much as they can. A reminder that holidays are rarely approved in term time, except in exceptional circumstances. Thank you for your support.
