

LEA ENDOWED CE PRIMARY SCHOOL

ATTENDANCE POLICY

March 2025

Information for Parents and Carers

'LET EVERYONE SHINE'

At Lea Endowed Church of England School we provide an excellent education for our children. We follow God's example, by loving Him, and each other, in all that we do.

Our whole school family is encouraged to achieve their full, God given potential and shine in their own special way.

"Let your light shine."

Matthew 5:16

As a school we aim to:

- Maintain an attendance rate of a **minimum** of 96%.
- Maintain parents' and children's awareness of the importance of regular attendance.

At Lea Endowed CE Primary School, the Senior Leader responsible for the strategic approach to attendance in school is Mrs C M Seagrave (Headteacher).

In order for your child to flourish and achieve their full potential, they need to be in school every day. We would like to emphasise the important role you play in your child's education. In order to feel confident and secure, your child needs to see the relationship between home and school. Good communication between families and school helps to ensure a smooth transition and enables the teacher to learn about each child from the adult that knows them best.

Good attendance is important because:

**Missing a week of school means your child will miss around 25 hours of learning
This creates gaps in their knowledge and could mean they will not meet their full
potential**

- Statistics show a direct link between under-achievement and poor attendance
- Regular attenders make better progress, both socially and academically
- Regular attenders find school routines and school work easier to cope with
- Regular attenders find learning more satisfying
- Regular attenders have an easier transfer to secondary school

Responsibilities and Expectations

Parents and Carers

- Parents and carers have a legal duty to ensure that their children attend school regularly, if they are of compulsory school age and registered at a school (see appendix for details of how the law applies to school attendance and how "parent" is defined in law). Our attendance target this year is 96%, but all pupils should strive to achieve 100% attendance if they can.
- Parents must also ensure that school has up-to-date contact information for themselves and emergency contacts.
- Children's responsibilities depend upon their age, maturity and capability but they too must do their best to attend school regularly and punctually.
- Ringing Mrs Ruston, school bursar, on the first morning of all absences with the reason and saying when the child will return. The number to ring is 01772 729880.
- Arranging dental and doctor's appointments out of school hours or during school breaks. Parents may be asked to provide evidence of appointments, if they are to be taken during school hours.
- Keeping us updated by telephone or letter if your child has an extended period of absence due to illness

Headteacher shall:

- Lead on giving attendance a high profile.
- Ensure there are designated staff with day-to-day responsibility for attendance matters and protected time allocated to discharge those responsibilities.
- Take overall responsibility for ensuring the school confirms to statutory requirements regarding attendance.
- Consider each request for leave against the school's criteria, decide whether some, all, or none of the leave will be authorised and notify parents of this decision.
- Where there is uncertainty regarding an absence, make the decision whether or not to authorise an absence, or to request further evidence to support the decision-making process.
- Provide regular reports to the governing body on school attendance, including persistent absence and vulnerable groups.

- Follow up unexplained absences by phone calls and letters as soon as possible
- Remind parents of the importance of regular attendance and punctuality in newsletters, the school brochure and the Home-School agreement
- Publish your child's attendance rate on her/his annual school report
- Let you know if we have concerns regarding your child's attendance
- If we continue to have concerns make a referral to the Pupil Attendance Support Worker who visits the school regularly to review and support attendance matters.

Other staff with designated responsibilities for attendance

- First day response: contact parents if a reason for absence has not been provided and record this information accordingly. Contact emergency contacts if parents cannot be reached.
- Update attendance registers.
- Regularly monitor and analyse data to identify pupil, class and whole school attendance concerns and to target attendance improvement support for those who need it most, particularly vulnerable groups.
- Regularly communicate pupil attendance and punctuality levels to parents.
- Work with children and parents to remove barriers to regular and punctual attendance, using parenting contracts where appropriate.
- Involve external agencies to support children and parents as appropriate to better understand and address the issues causing attendance concerns.
- Promote regular attendance through the school newsletter, website and displays and ensure the school's attendance policy is readily accessible.
- Use projects and strategies to improve attendance and punctuality for groups, classes or the whole school (eg incentive and reward schemes, certificates, traffic light letters).

All school staff

- Provide a welcoming atmosphere for children and a safe learning environment.
- Be aware of factors that can contribute to poor attendance and punctuality.
- Adhere to the procedures in place within school to promote good attendance.
- Promote the link between attendance and educational attainment to pupils and parents.
- Complete attendance registers in accordance with the legislation and under the direction of the head teacher.
- Discuss attendance concerns at an early stage with children and parents.
- Raise any concerns about attendance with the attendance lead and/or head teacher.

Governors

- Ensure compliance with The Education (Pupil Registration) (England) Regulations 2006, as amended.
- Agree an attendance policy and review it annually.
- Agree targets for attendance at Lea Endowed CE Primary School

- Where the school is not meeting its attendance targets, or when the governors believe there is cause for concern, instigate a review of school's attendance procedures.
- Authorise the head teacher (or other designated person) to make decisions regarding leave of absence requests.
- Work with the head teacher in establishing equitable and consistent criteria against which leave requests will be considered.

Schools are bound by a range of attendance legislation and guidance; please see the appendix for further details.

Lancashire County Council (the local authority)

School Attendance Support Worker (SASW)

Each school has a named contact in the School Attendance Support Team who can advise schools on attendance related matters, and with whom termly Targeting Support Meetings will be held. For mainstream nursery, primary and secondary schools this will be a School Attendance Support Worker (SASW); for special schools and pupil referral units (PRUs) this will be a School Attendance Consultant (SAC).

School Attendance Legal Team (SALT)

Following requests from schools for legal interventions in the event of failure to attend school regularly, the SALT undertakes enforcement processes, including penalty notices, prosecutions, parenting orders, education supervision orders and school attendance orders.

Children Missing Education (CME) Team

The CME team ensures the local authority fulfils its statutory duty to identify children in their area who are not registered pupils at a school and are not receiving suitable education otherwise than at a school. For further information see section 7, below, regarding notifications schools must submit.

Types of Absence

Every half-day absence from school is classified by the school as either authorised or unauthorised. This is why information about the cause of any absence is always required from parents/carers. As a school, we will always work with parents (and other agencies, as appropriate) to understand the reasons underlying absence.

Authorised Absence

Some absences are allowed by law and are known as “authorised absences”. For example: if a child is ill, family bereavement, religious observance.

We realise that there are *rare* occasions when there might be a particular problem that causes your child to be absent. Please let us know and we shall try to deal with it sympathetically.

Unauthorised Absence

There are times when children are absent for reasons, which are **not** permitted by law. These are known as “unauthorised absences”. Examples of unauthorised absence are:

- Waiting on a delivery
- Going shopping or for a hair cut
- Going for a family day out
- Because it is your child’s birthday
- Sleeping in after a late night
- Unapproved Holidays
- Where there is no explanation for the absence or where the explanation or reason for the absence is considered unsatisfactory.
- Unauthorised Absences have to be reported to the Local Authority. The School Attendance Service may contact you and consider taking legal action against you if your child has unauthorised absences.

It is the head teacher's responsibility to decide if an absence is authorised or unauthorised and, if there is any uncertainty relating to an absence, school may request further confirmation from parents before an absence is authorised. For absence due to illness, this may be in the form of:

- Sight of an appointment for your GP or for the hospital, clinic, etc.
- Sight of prescribed medication or prescription for medication.
- Sight of medical notes/records.
- A letter from a medical professional such as a specialist or consultant.

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school for other reasons. If your child is reluctant to attend it is better to speak to school as soon as possible to resolve the issue, rather than trying to cover up their absence, or give in to pressure to let them stay at home. As a school, we will always work with parents (and external agencies as appropriate) to understand and address the reasons behind absence. We will also ensure that the voice of the child is heard, along with their parents' views.

Punctuality

- The school day begins at 8:45am and finishes at 3:15pm for all children.
- You need to ensure your child is coming through the school gate at 8:45am. There is always a member of staff on duty in the playground at 8.45am.
- Children arriving after 8:50am will be marked as late.
- It is important to be on time as the first few minutes of the school day are often used to give out instructions or organise schoolwork for the rest of the day.
- If your child misses this short but vital session, their work for the whole day may be affected. Late arrivals are disruptive to the whole class and often embarrassing for your child.
- Arrival after the close of registration at 9.15am may be marked as unauthorised absence in line with the DCFS guidance.
- We will let you know if we have concerns about your child’s punctuality.

- Children who remain uncollected at the end of school time will be referred to a place of safety if not collected or the school contacted by school closing time. Regular late collection of children may be seen as a Safeguarding concern.

Persistent Absence (PA)

Persistent absence is when a child misses 10% or more of their schooling across the school year for whatever reason, authorised and unauthorised (including illness, exclusion, holiday, etc). Absence at this level will damage any child's educational prospects and we expect parents' fullest support and co-operation to address this.

At Lea Endowed CE Primary, we monitor all absence thoroughly, therefore any pupil whose attendance indicates they are likely to reach the PA threshold will be prioritised and parents will be informed of this promptly. Pupils who are persistent absentees are tracked and monitored carefully and the attendance procedures below will be followed.

Severe Absence (SA)

Severe absence is when a pupil misses 50% or more of their schooling across the school year. Sometimes such absence may be due to, for example, a long-term medical condition preventing full attendance at school, though even in such circumstances the pupil is still entitled to a suitable full-time education. However, absence at this level will usually require more intensive support and intervention by the school and, if required, the local authority.

Leave during Term Time

By law, maintained schools cannot authorise any leave in term time other than in exceptional circumstances. Taking a child out of school in term time will affect their education and progress as much as any other absence. If leave is being requested for a holiday or extended leave abroad, approval should be obtained from the head teacher before making any bookings.

Leave of absence in term time **will not** be granted unless:

- a request for leave has been made in advance by a parent with whom the pupil normally resides (using the form available from the school office),
and
- the head teacher considers that leave of absence should be granted due to the **exceptional circumstances** relating to the request.

Due to the need to evidence exceptional circumstances, parents are advised to provide school with any relevant information regarding their request at the point of application if they believe the circumstances are exceptional.

In considering the request school will also consider other factors such as:

- The timing of the requested leave, eg when a pupil is just starting at school or during assessment periods, such as SATs.
- A pupil's attendance record already includes unauthorised absence.
- Attendance is already a concern, or could become a concern, as a result of taking leave.
- Other periods of leave which the pupil may have had, either during the current or previous academic year.

Any period of leave taken without the agreement of the school, or in excess of that agreed, will be classed as unauthorised and may attract legal sanctions such as a penalty notice.

In certain circumstances, as outlined in regulation, parents risk losing their child's place on the school roll if leave is taken and the criteria governing removal from roll are met (see appendix).

Religious Absence

School will authorise one day of absence per religious festival, eg Eid, and this will be marked as **code R** in the register. The day authorised will be that set aside by the religious body of which the parent is a member.

Parents must request any additional leave in advance and this can only be authorised if the head teacher agrees that exceptional circumstances apply; this would be marked in the register as **code C**.

Participation in Sporting Events

Parents can request leave of absence for their child to take part in regional, national and international sporting events. However, as always, granting leave is at the head teacher's discretion and she/he will need to discuss with you the length and frequency of the absence(s) requested and how learning will continue if absence occurs, eg the sports club or association providing an approved education tutor.

Leave for a sporting activity that has been approved by the school and supervised by someone authorised by the school can be marked in the register as **code P**.

Permission for your child to leave early or arrive late in order to attend coaching and training sessions is also at the discretion of the head teacher and is unlikely to be approved if it would occur regularly.

Participation in Performances (eg theatre, television)

Parents of a child performer can request leave from school for their child to take part in a performance. A local authority licence must be obtained before a child can take part in a performance. Before a licence is granted, school will be consulted and head teachers must be satisfied that the leave will not have a negative effect on the child's education.

Where the licence specifies the dates that the child is to be away from school, the head teacher should authorise those days. However, where the licence does not specify dates, it is at the discretion of the head teacher to authorise the leave request.

Any absence authorised for the child to take part in a performance will be recorded as **code C1**.

Parents wishing to apply for a performance licence should go the Lancashire County Council [Child performance licences webpage](#).

Registration

Attendance registration

Morning registration is between 8:45-8:50am.

Afternoon registration is between 1.15pm and 1.20pm.

The school day starts at 8.45am. Pupils are expected to be on the premises at that time and that is when the registration period starts (ie when the register is taken and remains open).

When the attendance register has been taken it remains open until 9.15am in the morning and 1.30pm in the afternoon.

School finishes at 3.15pm.

Late Arrival

Children who arrive after 8.50am must go / be accompanied by parent/carer, straight to the school office at the main entrance to sign in and give a reason for their lateness.

Children who arrive after the register has been taken (after 8:50am) but before it is closed (9.15am), will be marked as **code L**. This is classed as late but present for the session (ie the morning or afternoon).

Children who arrive after the register has closed and without a valid reason for being late (such as attending a dental or medical appointment) will be marked as **code U**, which is classed as an unauthorised absence but indicates that the pupil was physically present in school for part of the session.

Punctuality

Poor punctuality is not acceptable. If your child misses the start of the day, they can miss work and do not spend time with their class teacher getting important news and information for the day. Pupils arriving late also disrupt lessons, which can be embarrassing for the child and can in turn, encourage absence. Being 10 minutes late every day throughout the academic year is the same as missing two weeks of school.

If your child is often late you will be asked to meet with the head teacher to discuss ways to improve punctuality, but you can approach us at any time if you are having problems getting your child to school on time.

Persistent lateness after the register has closed may result in further action, as outlined below.

School Attendance Procedures

First Day of Absence

If your child is absent and we have not heard from you, we will telephone you on the first day of absence to find out what the reason is and when your child is expected to return. If we are unable to contact you, we will approach your emergency contacts and, if necessary, make a home visit. Please note that such home visits may be unannounced.

Attendance Concerns

Parents are expected to contact school at an early stage and to work with us in resolving any attendance problems together; this is nearly always successful. However, if concerns persist, school will use the following procedures and interventions, as required, to support parents in improving their child's attendance and/or punctuality:

- Telephone calls and/or letters to make parents aware of school's concern about their child's attendance.
- When there is uncertainty about the reason for absence, school may ask parents to provide appropriate evidence and/or undertake home visits to ascertain where a child is and to ensure they are safe.
- Invitation to meetings to discuss concerns with our attendance lead and/or head teacher.
- Parenting contracts to identify barriers to regular attendance, ways to overcome these and agree targets for improvement.
- Incentive and reward schemes for individual pupils, if appropriate.
- The Early Help Assessment (EHA) process and/or referral to other agencies and services, including School Nurses and Primary Mental Health Workers, if appropriate.
- For unauthorised absences, request legal interventions by the local authority, such as penalty notices, prosecution or other attendance-related court orders.

At any stage, we may seek advice from advice from the local authority School Attendance Support Team.

Use of Penalty Notices

Legal interventions may be sought if providing support to improve attendance is not appropriate (eg for an unauthorised holiday in term time), or has not been successful or engaged with. In accordance with the Lancashire code of conduct, we may request that the local authority issue penalty notices for unauthorised absence. This includes:

- Leave of absence which is taken without a prior request being made.
- Leave taken after a request has been declined.
- Days taken in excess of an agreed period of leave, without good reason.
- Other unauthorised absence that meets the required threshold, including sessions marked as late after the register has closed (code U).

On 19 August 2024 new penalty notice arrangements came into force, with changes to the cost of a penalty notice and to the thresholds at which penalty notices may be requested by school. The DfE now requires that schools **must** consider if a penalty notice is appropriate when the thresholds are met. The changes to be aware of are:

- Penalty notices issued for offences that take place after 19 August 2024 will be charged at a new rate of £160 per parent per child. This can be paid at £80 if paid within 21 days.

- Any second penalty notice issued to the same parent for the same child within a rolling 3-year period will be issued at the rate of £160 to be paid within 28 days with no option for a discounted rate.
- The threshold at which a penalty notice **must** be considered is set at 10 sessions (equivalent to 5 days) of unauthorised absence within a rolling 10-school week period. This may include absences as a result of arriving late after the register closes. The 10 school weeks may span different terms or school years.
- A maximum of 2 penalty notices may be issued to a parent for the same child within a rolling 3-year period, so at the 3rd (or subsequent) offence(s) another course of action will need to be considered (such as prosecution or one of the other attendance legal interventions).
- If a school requests a penalty notice for absences other than unauthorised holidays, including being late after the register has closed, the local authority School Attendance Legal Team may issue a Notice to Improve to parents. A Notice to Improve is a final opportunity for parents to engage in support and improve attendance before a penalty notice is issued. If the national threshold has been met and offers of support have not been engaged with by parents or have not worked, a Notice to Improve may be issued to give parents a final chance to engage with support and improve their child's attendance.

The code of conduct for penalty notices and information and FAQs for parents can be found on the Lancashire County Council [education penalty notice webpage](#).

Pupils with medical needs who have difficulty attending school

Government guidance on supporting pupils at school with medical conditions (see appendix) emphasises the role of governing bodies in ensuring that pupils with medical conditions are able to fully access education in the same way as other pupils. A key element of this responsibility is reducing the amount of time missed by these pupils, whether their condition is short or long term.

School will work with parents and other relevant professionals to minimise absence for reasons of ill health. This may be in the form of specific support or resources used within school or by sourcing appropriate provision at another establishment. When education is to be provided at an alternative location, this should always be done via the use of a direction (please see section 6, below).

When a pupil has been absent from school for an extended period, the head teacher, the class teacher and other support services will work with the family to ensure that a smooth reintegration is achieved.

Pupils refusing to attend school

At Lea Endowed CE primary, we believe that every child has a right to a full-time education, and we would not accept "school refusal" as a reason for non-attendance. In such cases, we will work with parents to identify the reasons why a child may be reluctant to attend school. We may request advice from the School Attendance Support Team and, with consent, make referrals to other external partners such as the Children and Family

Wellbeing Service or Primary Mental Health Workers, as appropriate, to try to ensure the correct support is secured for the child and their family.

Promotion of Good Attendance

School will promote and incentivise attendance by acknowledging and rewarding good attendance by all pupils and efforts to improve attendance by individual pupils who have additional needs or challenging circumstances.

Following a competition in school, to address attendance, we have adopted 2 winning slogans to encourage Punctuality and Attendance:

“Be on Time, it Helps You Shine” and **“Come to School, it’s really Cool”**

Alternative Provision and use of Directions

There is a range of circumstances when pupils might be required to access educational provision at a venue other than their main school. The main reasons are:

- Pupils who have been excluded, either for a fixed period of more than 5 days or permanently.
- Pupils unable to access provision at their main school for medical reasons.
- Pupils required to attend another venue for the purpose of improving behaviour, either on a temporary basis or with a view to making a permanent move to the alternative provision (via a managed move).

When a pupil is required to attend alternative provision for the purposes of improving behaviour, the governors of the main school must issue a written direction or notice informing all parents of the alternative provision which their child is required to attend. Where a pupil is required to attend alternative provision for other reasons, the issuing of a written direction is considered best practice.

Notifications school must submit to the local authority

Admissions

All schools must notify the local authority within five days of adding a pupil’s name to the admission register and must provide the local authority with all the information held within the admission register about the pupil. This duty does not apply to pupils who are added to the admission register at the start of the school’s youngest year unless the local authority also requests for such information to be provided (currently Lancashire does not).

Leavers

All schools must notify the local authority when a pupil’s name is to be deleted from the admission register under any of the grounds prescribed in Regulation 9 of The School Attendance (Pupil Registration) (England) Regulations 2024, as soon as the ground for removal is met and no later than the time at which the pupil’s name is removed from the register. This duty does not apply where the pupil’s name is removed after they have

completed the school's final year, unless the local authority requests for such information to be provided (Lancashire currently does not).

Where a school notifies a local authority that a pupil's name is to be deleted from the admission register, the school must provide the local authority with the required information as laid out in regulation.

In addition to submitting a notification about removal from roll, some circumstances also require school to make referral to other local authority teams such as the Elective Home Education team or the Children Missing Education team. Schools may also contact the School Attendance Support Team for advice on removing children from roll.

Pupils who fail to attend

Attendance returns: all schools must inform the local authority of any pupil of compulsory school age who fails to attend school regularly or has been absent without the school's permission (codes G, O, and/or U) for a continuous period of 10 days or more. In Lancashire schools, this can be done via a variety of means and school can contact the School Attendance Support Team for further advice.

Sickness returns: all schools must inform the local authority of any pupil of compulsory school age who has been recorded absent with code I (illness) and who the school believes will miss 15 days consecutively or cumulatively due to sickness. Only one sickness return is required for a continuous period of sickness in a school year.

Children Missing Education (CME)

Local authorities have a duty to put in place arrangements for identifying (as far as possible) those children of compulsory school age in their area who are not school registered or receiving suitable education otherwise than at a school. Local authorities should trace those children and ensure they receive a full-time education.

If a pupil has stopped attending and her or his location is unknown, schools must make reasonable enquiries to establish the whereabouts of the child jointly with the local authority, before deleting the pupil's name from the register. In such cases, school should undertake a home visit, prior to a referral being made to the local authority Children Missing Education team.

Policy Agreed by Governors – March 2025

Policy will be reviewed - March 2026 (or sooner if required)

Appendix: School attendance and the law

There are many pieces of legislation and government regulations and guidance that are relevant to school attendance and to children and their parents and carers. The list below relates to this attendance policy but is not exhaustive.

Parents and carers

Duty to ensure children receive education

Section 7 of the Education Act 1996 covers the duty of parents to secure the education of children in their care who are of compulsory school age and states:

The parent of every child of compulsory school age shall cause him to receive efficient full-time education suitable—

- (a) to his age, ability and aptitude, and*
- (b) to any special educational needs he may have, either by regular attendance at school or otherwise.*

Offence if a child does not attend regularly

Under Section 444 of the Education Act 1996, if a child of compulsory school age who is a registered pupil at a school fails to attend regularly, their parent is guilty of an offence.

The offence is absolute as the only defences available to the parent are those statutory defences listed within that section of the Act, ie:

- the child was absent with leave granted by the school;
- the child was prevented from attending by reason of sickness or any unavoidable cause;
- absence was on a day exclusively set apart for religious observance by the religious body to which their parent belongs;
- that the school is not within statutory walking distance and that the local education authority has made no suitable transport arrangements or enabled the pupil to become registered at an alternative nearer school.

Compulsory school age

Section 8 of the Education Act 1996 establishes that a child becomes of compulsory school age on the start date of the term following her/his fifth birthday, or that day if her/his fifth birthday falls on the day term starts.

A child ceases to be of compulsory school age on the last Friday in June in the academic year in which he/she reaches the age of 16 or if he/she reaches 16 after the last Friday in June but before the start of the new school year.

Legal definition of "parent" in relation to attendance

The law requires that all "parents" are held responsible for their child's attendance. This definition can include any person who has care of the child. Section 576 of the Education Act 1996 states:

Meaning of "parent".

(1) In this Act, unless the context otherwise requires, "parent", in relation to a child or young person, includes any person—

- (a) *who is not a parent of his but who has parental responsibility for him, or*
- (b) *who has care of him.*

Thus, the definition of “parent” means all natural parents, whether they are married or not, and includes any person who, although not a natural parent, has parental responsibility and/or care for a child or young person.

Schools

Attendance and absence registration codes

Working together to improve school attendance, DfE statutory guidance 2024, explains which codes schools should use to record attendance and absence in their registers, and specifies the DfE's expectations of schools and local authorities with respect to school attendance.

Data protection

Schools must ensure that personal data is handled in accordance with the Data Protection Act 2018. See Lea Endowed CE Primary school's Privacy Notice for information about how personal data will be used.
