This Week

Christian Value – Sonia for putting her trust in us to help her learn.
Curriculum Award – Sam for contributions to our Lifebus session.
Star Writer- Archie for super writing in RE.

WELL DONE!

Notices

KS2 Production

Preparations are well underway for our KS2 Christmas production – 'Christmas Around the World'. We would be grateful for any help you can give in supporting your child in learning their lines/ songs. We look forward to seeing you for the show on Monday 16th December at 2pm or 6pm.

Class News

You can definitely tell that we are in the countdown to Christmas as the past few weeks have been more action packed than usual. Many thanks for all of the generous donations that came in for our non-uniform day. This meant that we had a great range of prizes for yesterday's tombola. The Year 6 children once again supported their Reception buddies and it was lovely to see the joy on the faces of those fortunate enough to win. We all enjoyed the 'Snow White' pantomime which, being action packed from beginning to end, kept every child on the edge of their seat (or mat!). We are hoping that this will have inspired the children in KS2 to pull out all the stops for their own performance of 'Christmas Around the World'.

Much good learning is still taking place, particularly in Science where the children investigated the question, 'Which fruit makes the best battery?'. Working like scientists, they used a multi-meter to measure the voltage in circuits using bananas, apples, kiwis, tomatoes, lemons and more. Why don't you ask them which fruit won? In English, we are researching a Ukrainian Christmas so that we can produce an information text. We will share some of our findings with you at the nativity!

Mr Pratley

The LORD gives
STRENGTH
to his people;
the LORD blesses
his people with
PEACE.

-Psalm 29:11

Class Open Door

Please feel free to visit me
In Year 6 and ask any
questions you may have.
