"Let your light shine." Matthew 5:16

We are very much in the midst of the Christmas celebrations and I hope that those of you who joined us for the KS1 Nativity, "The Greatest Gift", on Wednesday, enjoyed the beautiful (and at times, comical) performances. We are very much looking forward to the KS2 performances on Monday, "Joy to the World" – a celebration of how the true meaning of Christmas is celebrated around the world. We are so proud of the children shining brightly and sharing the good news of God's greatest gift to the world - **Jesus**. I would like to thank my wonderful staff and governors for their hard work and dedication throughout this year. This year has brought its many joys and its challenges but the dedication and care the staff show in supporting your children's learning and wellbeing, fills me with pride. We have much to be thankful for and my prayer for 2025, is that we will continue to work together; children, staff, parents and governors, to help every member of our school family to flourish and shine.

"Angels with Buckets" Collection

This year we have chosen to support Mind Lancashire.

The number of children and young people who are experiencing a mental health condition has recently increased to 1 in 6 - the equivalent of 23 children in our school alone! More than an entire year group!

Mind Lancashire provide services specifically designed for children and young people for over 10 years. They are an experienced, friendly and supportive Children and Young people's (CYP) team who are passionate about supporting the wellbeing of children and young people in our area.

Please support this worthy cause to help our local children, Thank you.
