Curriculum Award - Erin

For: Your fantastic work in Science this week!

Star Writer - Jessica

For: A lovely piece of writing about the main character in our new text; The Secret Garden.

Class News

It has been a lovely couple of weeks, here in Class 4! Everyone has settled into our routines again and they are working hard in all of their lessons! In English, we have just finished writing our own non-chronological report, which was a leaflet all about The Lake District. The children researched different areas of The Lakes and then summarised the information in their own words. We are now starting our new novel; The Secret Garden. Ask your child about "Mary, Mary quite contrary." In Maths, we have started work on the 6 times tables. Class 4 have enjoyed learning their 6s to the tune of "Shake it Off" by Taylor Swift! Please ask them for a rendition as not only does it further strengthen their recall of the 6s, but also it is very catchy and fun to join in with! In History, we have been learning about The Vikings and their raids on monasteries in the UK. In Science we have been continuing our learning about sound and how sound travels from an object into our ears. We made string telephones to test out how sounds travels! 😊

Class Open Door

Friday 3:20pm - 3:40pm

Alternatively, you can email me using the contact details at the top of the page, anytime.

Thank You!

A huge thank you to everyone who supported our school Book Fair, we have raised a fantastic amount of money that will be spent on books for our school library. We really appreciate your support!
